Product Etail Title	CORSAIR iCUE LINK LX140-R RGB 140mm PWM Reverse Fan Expansion - White - Reverse Fan Blade - Dual Light Loops – Requires iCUE LINK System Hub (Sold Separately)
Product Title	CORSAIR iCUE LINK LX140-R RGB 140mm PWM Reverse Fan Expansion - White
Product Name	CORSAIR iCUE LINK LX140-R RGB 140mm PWM Reverse Fan Expansion - White
Pre-Order Option	No
Product Imagery Link	LINK
Password	Lx@rbfww1

Overview
25 Word Product Description

Add another CORSAIR LX140-R RGB Fan to your PC, featuring a reverse rotor, terrific airflow, dual light loops, and iCUE LINK connectivity.

Overview
50 Word Product Description

Add another CORSAIR LX140-R RGB 140mm PWM Fan to your iCUE LINK setup, featuring a reverse rotor design to ensure your RGB lighting is fully visible when used for intake. A Magnetic Dome bearing delivers quieter, longer-lasting operation. iCUE LINK connectivity makes for faster, simpler setup with less cabling than ever before, while enabling precise PWM fan speed control up to 2,000 RPM.

Overview
100 Word Product Description

Add another CORSAIR LX140-R RGB 140mm PWM Reverse Fan to your iCUE LINK setup, featuring a reverse rotor design that keeps the RGB ring fully visible when used for intake. 18 RGB LEDs across dual light loops bring amazing lighting to your PC with the refreshingly simple setup of iCUE LINK. With PWM fan speeds up to 2,000 RPM, 4.22mm H2O static pressure, and 90.6 CFM airflow, the LX-R RGB has the cooling power to match its looks. Enjoy quieter operation and extended fan life thanks to CORSAIR Magnetic Dome bearings. The revolutionary iCUE LINK ecosystem connects all your components with fewer cables – including the ability to connect your fans together directly into a single seamless block.

Features

- **Reversed Rotor for Flawless Looks**: Flip the script on your build with reversed rotor fans that ensure the RGB ring remains fully visible, even when mounted for intake.

- **Stunning RGB Lighting with Dual Light Loops**: 18 LEDs per fan spread across an inner and outer loop enable brilliant, customizable lighting that can be synchronized with all your iCUE RGB devices.

- **Effective and Efficient Cooling:** Deliver superb airflow to your system with precise PWM controlled speeds up to 2,000 RPM, pushing 90.6 CFM of air. An impressive 4.22mm H2O static pressure also gives the LX-R RGB the force it needs for mounting to radiators.

- **LINK Your Fans Together**: The included iCUE LINK bridge connectors can connect your fans directly to each other, creating a seamless bank of fans all connected to the iCUE LINK System Hub (sold separately) with just a single cable.

- **Quiet Operation with Magnetic Dome Bearing**: CORSAIR's Magnetic Dome bearing is a refinement of the renowned magnetic levitation bearing, minimizing noise and reducing friction for greater longevity.

- **One-Twist CORSAIR QuikTurn™ Screws**: You'll never want to go back to regular screws after installing a full set of fans in seconds. QuikTurn screws save both your precious time and your hands.

- **Zero RPM Mode**: Supports Zero RPM PWM signals to completely eliminate fan noise at low loads.

- **Time Warp Lighting Mode**: This eye-popping effect makes your fans appear to be frozen in place or even spin backwards, exclusive to iCUE LINK thanks to an individual MCU in each fan.

- **Unite Your Setup**: Create automated fan curves with powerful CORSAIR iCUE software, for intelligent cooling that responds to your system's needs.

- **Part of the iCUE LINK Ecosystem**: iCUE LINK is the next leap forward in PC building, spanning across fans, coolers, PSUs, and more, letting you neatly chain all of these components together for clean cabling, less mess, and a faster build.

Tech Specs

Dimensions (mm):	140x140x25 mm
Rated Current - Fan:	≤0.35A
Speed:	2000±10% RPM
Airflow:	13.1 - 90.6 CFM
Static Pressure:	0.11 - 4.22 mmH2O
Sound Level:	10 - 38.3 dBA
Connection cable:	iCUE Link
PWM Control:	0%, 20 - 100%
Bearing Type:	Magnetic Dome
Cable Length:	135 mm
MTBF - Life Expectation:	50000
Warranty:	5

Box Contents

1x LX140-R RGB Fan, White
1x Active Connector
1x Passive Connector
1x iCUE LINK Cable, 135mm, Slim-Slim Cable Head
4x QuikTurn Mounting Screws
