CORSAIR T1 RACE
Gaming Chair

Overview

100 Word Product Description, Preferred Copy

The CORSAIR T1 RACE delivers racing inspired design and comfort, combined with the highest quality materials for a professional gaming experience. Featuring a steel seat and back frame to ensure a lifetime of sturdiness, while the 4D-movement armrests, reclining seat back and tilt functionality provides unrivaled control. Nylon caster wheels ensure stability and traction on every surface. Height adjustment is powered by a steel construction gas lift. Recline with massive adjustability range between 90 to 180°, and tilt up for up to an additional 10°. Adjustable neck and lumbar pillows, wrapped in soft microfiber fabric and reinforced with automotive stitching, is designed to give the most important areas of your body the utmost support.

Overview

50 Word Product Description

The CORSAIR T1 RACE delivers racing inspired design and comfort, combined with the highest quality materials for a professional gaming experience. Overview

25 Word Product Description

The CORSAIR T1 RACE delivers racing inspired design and comfort, combined with the highest quality materials for a professional gaming experience.

Features

Style 1

- Steel seat and back frame, designed for use in race cars, ensures sturdiness for years to come
- 4D-movement armrests enable vertical, horizontal, front-to-back and angled adjustability, with mechanical control
- Heavy duty nylon caster wheels provide stability and traction on every surface
- Height adjustable seating powered by a steel construction gas lift
- Recline seat back with back angle adjustability between 90 and 180° range
- Tilt function adjusts up to 10° with tilt-lock
- Neck and lumbar pillows wrapped in soft microfiber fabric and reinforced with automotive stitching

Style 2

- **Steel seat and back frame:** Solid steel construction enables you to plant yourself and ensures sturdiness for years to come.
- **4D-movement armrests:** Raise or lower the height of the armrests, move them left or right, forwards or backwards, or swivel them to your desired location. Complete customization for the perfect position, enabled by mechanical control.
- **Nylon caster wheels:** Heavy duty wheels stay-put when you're gaming, provide stability on all surfaces, but also glide when you need to shift your position.
- **Height adjustable seating:** Raise or lower the seat height effortlessly, and stay there with a steel construction gas lift.
- **Reclining seat back:** Recline the back of your chair to get the most comfortable position possible, with massive adjustability between 90 to 180° range.
- **Tilt function with tilt lock:** With the ability to have the chair tilt or be fixed you can customize your overall angle for an additional 10° of range.
- **Neck and lumbar pillows:** With adjustable neck and lumbar pillows, wrapped in soft microfiber fabric and reinforced with automotive stitching, you'll find the utmost support designed for the important areas of your body.
