

G240

Cloth Gaming Mouse Pad

ELEVATE YOUR CONTROL, ELEVATE YOUR GAME.

The cloth surface of the Logitech® G240 Cloth Gaming Mouse Pad provides ideal surface friction for low-DPI gaming, improving mouse control and precise cursor placement. Rapid and abrupt starting, stopping and changes in direction are no problem with G240. Consistent surface texture improves sensor performance, especially when used with Logitech G gaming sensors. And the soft rubber base maintains stability without sacrificing comfort.
