PRODUCT DESCRIPTION

LONG:
Stream Deck features 15 customizable LCD keys that let you instantly trigger unlimited actions, so you can focus on what matters most: your audience. Use the Stream Deck app to easily configure and personalize your keys with actions and icons. Plus set Stream Deck to automatically change key configurations based on the application at hand. And when it's showtime, simply tap to switch scenes, tweet your feats, even launch onscreen GIFs, images, videos and audio. Traditionally this level of control was exclusive to mainstream entertainment broadcasters. Now, it's at your fingertips.

MEDIUM:
Stream Deck puts 15 LCD keys at your fingertips for unlimited studio control. Tap to switch scenes, launch media, tweet and much more. Personalize keys with icons and get visual feedback to confirm every command. With Stream Deck, maximize your production value and focus on what matters most: your audience.

SHORT:
Stream Deck features 15 customizable LCD keys that let you instantly trigger unlimited actions, so you can focus on what matters most: your audience.
