SKU Live Date	**April, 2016**
Product Full Name/Title	**CORSAIR Vengeance LPX 16GB (2x8GB) DDR4 2666 (PC4-21300) C16 for DDR4 Systems - White**
Part Number/ UPC	**CMK16GX4M2A2666C16W 843591088367**
Product Imagery	**Images**
Product Video	**Product Video**
Compatibility List	**Intel 100 Series motherboards (full list on corsair.com)**
Overview

Vengeance LPX memory is designed for high-performance overclocking. The heatspreader is made of pure aluminum for faster heat dissipation, and the eight-layer PCB helps manage heat and provides superior overclocking headroom. Each IC is individually screened for performance potential.

The DDR4 form factor is optimized for the latest Intel 100 Series motherboards and offers higher frequencies, greater bandwidth, and lower power consumption than DDR3 modules. Vengeance LPX DDR4 modules are compatibility-tested across 100 Series motherboards for reliably fast performance. There's XMP 2.0 support for trouble-free automatic overclocking. And, they're available in multiple colors to match your motherboard, your components, or just your style.

Features

Feature	Benefit
• Designed for high-performance overclocking	Each Vengeance LPX module is built with a pure aluminum heatspreader for faster heat dissipation and cooler operation; and the eight-layer PCB helps manage heat and provides superior overclocking headroom. Each IC is individually screened for performance potential.
• Designed for great looks	Available in multiple colors to match your motherboard, your components, or just your style
• Performance and Compatibility	Vengeance LPX is optimized and compatibility tested for the latest Intel 100 Series motherboards and offers higher frequencies, greater bandwidth, and lower power consumption. XMP 2.0 support for trouble-free automatic overclocking
• Low-profile heatspreader design	The Vengeance LPX module height is carefully designed to fit smaller spaces.

Tech Specs

- Density: 16GB (2x8GB)
- Speed: 2666MHz
- Tested Latency: 16-18-18-35
- Voltage: 1.2V
- Format: DIMM

- Pin Out: 288 Pin
- Intel XMP 2.0
- Heatspreader: Anodized Aluminum
- Compatibility: **Intel 100 Series motherboards (full list on corsair.com**)

Accessories

CMYAF
Corsair Vengeance Airflow
(includes silver and blue covers)
