**PRODUCT DESCRIPTION**

**LONG:**

With HD60 X, capture PS5 or Xbox gameplay like a pro. Use your favorite broadcast app and create high resolution 4K30 or 1080p60 HDR10 content for audiences on any video platform. Play high-fidelity games as intended with VRR support and up to 4K60 HDR10 passthrough. You can even enjoy high frame rate gameplay such as 1440p120 or 1080p240. HD60 X connects to your console and sends raw video in real time to both your gaming screen and computer, giving you the freedom to stream, record and edit on your terms. No subscriptions. Zero limitations.

**MEDIUM:**

With HD60 X, capture PS5 or Xbox gameplay like a pro. Play high-fidelity games as intended with VRR support and up to 4K60 HDR10 passthrough. Use your favorite broadcast app and create high resolution 4K30 or 1080p60 HDR10 content for audiences on any video platform. No subscriptions. Zero limitations.

**SHORT:**

HD60 X lets you capture PS5 or Xbox gameplay like a pro. Stream or record high resolution content for audiences on any platform. No subscriptions. Zero limitations.

# HD60X

PLAY AND CREATE WITHOUT COMPROMISE
