Gamepad F310

Console-style control for your PC games

- Broad game support
- Profiler software
- Familiar layout
- Floating D-pad
- 1.8-metre (6-foot) cord

From sports to shooters and anything in between, the Logitech® Gamepad F310 brings a familiar console-style experience to your PC, with support for the broadest number of games. Profiler software lets you customise your gamepad with keyboard and mouse inputs*. A classic controller design lets you focus on the game. The unique floating design of the D-pad makes it responsive to quick changes in direction. And rubber grips make game play extra comfortable.
