Plug and play

This gaming bundle for PC and laptops has the tools to forge your gaming career. The mouse and keyboard work with all PCs and laptops: just plug in and start gaming in true gamer style.

Precision is key

The Tural gaming keyboard will complete your gaming set-up with vivid colours with its three colour LED illumination, adjustable in brightness. The keyboard has a full-size layout meaning that it is optimally designed for fast key entry. Its anti-ghosting technology ensures that you can game fast and accurately: you will remain in control even when you press up to 8 keys simultaneously.

Take control

The keyboard has 12 direct access media keys, making it possible to control your music or the illumination of the keyboard. You can even play music, start a search or change pages directly with the keys on your keyboard. The special game mode switch ensures that you won't return to your desktop accidentally when hitting the Windows key, it is disabled during gaming sessions.

Up to speed

With the 6 responsive buttons and illuminated design, you'll have the gaming victories in the palm of your hand. Choose your preferred speed with the DPI select button (1000-3200 DPI) and the seven colour breathing illumination will bring your gaming set-up to life!
