Documentation	Quick Start Guide
100-Word Product Description	The CORSAIR K55 CORE gaming keyboard puts you on the winning path. Brighten your gaming sessions with fully customizable ten-zone RGB backlighting, programmable in CORSAIR iCUE, to create your own personal light show as you rack up a string of wins. Quiet, responsive membrane switches mean you can type, chat, and play in any setting. Take control with four dedicated media buttons, so you never have to pause the action to adjust volume and playback, while 300ml spill resistance keeps spills from ruining your most exciting moments. With the K55 CORE, you have everything you need to start your winning streak.
50-Word Product Description	The CORSAIR K55 CORE gaming keyboard puts you on the winning path. Brighten your gaming sessions with fully customizable ten-zone RGB backlighting. Quiet, responsive membrane switches mean you can type, chat, and play in any setting.
